Dear Sir:

In response to the non-final Office Action mailed on August 11, 2011, please consider the accompanying remarks. Although no amendments are currently made to the claims, a complete listing of all claims pending in the application is included for the Examiner's convenience. The proper fee for a one-month extension of time is submitted herewith. Because the deadline for response within a one-month extension of time fell on December 11, 2011, which is a Sunday, the Applicants believe that no further fees for extensions of time are presently due.
